

SPARIVANJE POJMOVA KOJI POČINJU ILI ZAVRŠAVAJU ISTIM GLASOM

SPARIVANJE POJMOVA OD KOJIH JEDAN ZAVRŠAVA GLASOM KOJIM DRUGI POJAM ZAPOČINJE

(DOMINO)

Svaka igra sadrži po 30 kartica, a na svakoj se kartici nalaze po dvije slike (dva pojma). Cilj igre je spariti pojmove koji **počinju** istim glasom (**D**OMINO – **D**IMNJAK), **završavaju** istim glasom (SLON**N** – LIMUN**N**), odnosno spariti pojmove od kojih jedan **počinje** glasom kojim drugi **završava** (RUČ**N**IK – KIŠ**O**BRAN).

Jednu karticu stavljamo na sredinu stola, licem prema gore. Preostale se kartice podijele igračima koji ih stavljaju ispred sebe, također licem prema gore, tako da ih svi igrači vide. Roditelj glasno izgovara jedan od pojmova s kartice na sredini stola, kojem treba pronaći par. Svi igrači promatraju svoje kartice. Igrač koji je pronašao odgovarajući pojam, sparuje kartice, stavljajući sličice jednu pored druge, kao u igri domino. Igra se nastavlja sparivanjem sljedećih pojmova, a završava kada su sve kartice sparene.
